Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

One of our bathrooms keeps backing up. We sent a snake down the plumbing system and found roots growing into the pipes.

Project Category: Plumbing

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N

Available Funding Was money to address this issue included in your adopted budget for this fiscal year? **N**

Current unencumbered building renewal fund balance (Fund 690):	\$0.00
Current fiscal year building renewal expenditures:	\$0.00
Current balance of unrestricted capital:	\$0.00

Please outline any associated insurance coverage.

We have cleaned the septic systems and snaked the pipes already this year. We have replaced the wax ring in the bathroom and resealed the toilet. These fix the problem for a short while and then the bathroom stops working again.
